GET YOUR HOMECOMING MUMS

Roundup

Boise, Idaho, Thursday, November 1, 1951

Which beauty will be crowned Homecoming Queen??? One of these fair beauties will officiate over the Homecoming events. From left to right are, front row: Gloria Johnson, Peggy Wood, Mickey Flaherty, Gerri Privett, Marion Watson, Donna Officer, Dorla Hogenmiller, Joan Hartzler. Back row: Janet Austad, June Obenchain, Beverly Brennan, Annette Black, La Rae Dunn and Diane Huschke.

I.R.C. To Send

Representatives to Portland
Norman Clark, club president, Miss Jessie McQueen, along with Dr. Moore, represent the I.R.C. International Relations club to the Northwest I.R.C. regional conference to be held at Portland, Ore., November 2nd and 3rd. The conference, consisting of round table discussions, talks and lectures on pertinent international problems, may well prove to be beneficial as well as interesting. The trio plan to travel by car, leaving Thursday and returning Saturday afternoon.

President Chaffee

Returns from New York

President Eugene B. Chaffee returned on the evening of October 29 from a meeting of the Educational Advisory Council of the National Association of Manufacturers which was held in New York. The primary purpose of this organization is to bring about a better understanding between business and education.

President Chaffee flew to Washington, D.C., stopping enroute to spend Sunday and Monday with a brother in North Carolina. While in Washington, Dr. Chaffee worked on junior college problems and preliminary work on the National Commission on Accrediting. He is a member of the executive committee and will return in December for another meeting. This commission is for the purpose of covering accrediting associations throughout the United States.

President Chaffee spent the remainder of his time at the N.A.M. meeting in New York. The agenda was concerned with problems facing modern education.

Bob Fifer Contributes Money for Contest

Mr. Robert Fifer of Fifer's Fair has contributed for the third year prize money for an oratorical contest among our students. Topics of local, national, and international problems are opened to the students for the contest.

A preliminary contest will be held from the speech classes of Mr. Harold Wennstrom. The four finalists will compete at an assembly sometime in February, and each contestant will receive a prize. The prize money will be \$15, \$10, \$5 and \$2.50.

The contest is open to any students at Boise Junior College who may be interested in competing. Further information will be given by Mr. Wennstrom of the speech department.

Chad White Takes Charge of Homecoming

Chad White, a sophomore at B.J.C. and a member of the Inter-Collegiate Knights, is the general chairman of Homecoming of Boise Junior College.

Chad has been working very hard on the plans for Homecoming and is doing a very good job of it. He appreciates all the assistance he has been getting from the students and from the various chairmen who are helping to make this year the greatest.

Our hats are off to Chad and his assistants. Nice going, gang.

I just broke up with my girl friend. I want someone to finish Argyle socks.

Homecoming Formal To Be Held In Student Union

A.W.s Sell 'Mums' For Homecoming

The Associated Women of Boise Junior College sponsor many activities during the year—among them several teas, a dance, Christmas campaigns and "Mums" for Homecoming.

The most important right now is, of course, the "Mum" sale. "Mums" are a traditional part of Homecoming at Boise Junior College, and a welcome one for the fellows, since a mum corsage goes both for the Homecoming game and the dance, thus saving a few dollars here and there. This year they may be purchased in the office of the dean of women, the Ad building and the Student Union, however, TODAY is the last day, so fellas and gals, hurry!

Another function of the AW is the renting of crystal service to any club or school organization wishing to use it for a school function. It may be rented by notifying Laura Lyman, treasurer, and paying the fee before it is used, with the understanding that any pieces broken will be replaced by the club renting the service. Also, the service must be used in the Union.

The AW also sponsors the Girls' Lounge in the Ad building. This lounge is for all women at B.J.C. and is to be used as a resting place and study room. This year, as in the past, the AW wishes to keep the room clean.

So, all girls are asked to refrain from smoking or eating there and also not to leave any books or lunches.

A good time is in store for students and alumni of B.J.C. when the annual Homecoming dance takes place in the new ballroom of the Student Union on Saturday, November 3, from 9:00 to 12:00 p.m. This event, the first dance sponsored by the student body to be held in the new ballroom, is a traditional college affair and has always been a big success. It is hoped that it will be equally successful this year.

Chairmen of committees for the dance are: general chairman, June Obenchain; decoration, Linette Gilster; invitations, Beverly Brennan; intermission, Jim Walker; poster publicity, Bonnie Cady.

Alumni who wish to attend the dance may make arrangements for tickets by calling Mrs. Burke, phone 4795, extension 9, before Friday noon, November 2. Students will be admitted with activity cards, one card to a couple required. No one will be admitted at the door without a ticket secured or arranged for in advance.

The fountain in the Union will be open during the evening for refreshments.

The dance is formal so everyone put on your best bib and tucker and let's go all out to make this the biggest and best affair B.J.C. has ever had.

P. T. A. Congress Meet at B. J. C.

Boise Junior College this past week was the scene for a four-day meet of the Idaho Congress of P.T.A. Educators and P.T.A. member representatives from all parts of the state met at B.J.C. October 23-27. During their stay, the P.T.A. representatives resided at Morrison Hall and received their meals at the Student Union.

Working to straighten out all the problems of Homecoming are: Ed Hedges, parade chairman; Diane Chester, publicity; June Obenchain, dance chairman; Jim Lynch, half-time; and Charlene Barber, Union nite chairman. Neil Howard—not pictured—is bonfire chairman.

Reminder for Men

Students who are planning to take the Selective Service qualification tests are urged to apply at once to the nearest local Selective Service board for the application and a bulletin of information. Tests are being administered on December 13, 1951, and April 24, 1952. Applications for the December 13 test must be postmarked no later than midnight, November 5, 1951. It will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. Results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

Miss Jean Catherin Attends Conference

Miss Jean Catherin, physical education instructor, attended a conference of the Western Society of Physical Education for College Women, held at Timberline Lodge, Oregon, on October 19, 20 and 21.

About forty colleges were represented. Group meetings were held to discuss group processes, Fundamental movement, health and special problems of the small college. General meetings were held with leaders of the profession talking to the entire group. Special emphasis was placed on the program of outdoor sports—mountain climbing, bicycling, sailing, hiking and others.

Reports were given on recent research in the field of physical education.

Campus Apartment Residents Meet

A meeting of the campus apartment residents was called by Mr. Rogers, housing manager, October 18. President Chaffee spoke briefly to the group and commended them on the harmonious conditions existing there. An advisory committee, consisting of Leland Stronks, Wanda Wenslow and Jimmy Booth, was elected to act as a mediator between the housing residents and the B.J.C. executive board.

Needless to say, in these times of mounting inflation, all apartment residents breathed a sigh of relief when they were assured that rent would not be raised this year.

The Big Event

Only two days until the big event—Homecoming.

At this time we think it is appropriate that everyone give a word of thanks to all those who have worked so hard on all the individual committees to make Homecoming the success we're sure it will be.

It's a tough job to be chairman on a committee and try to get help on this, information on that, etc. Let's appreciate the fact that these fellows and gals have all worked to make Homecoming a success—now the rest is up to us—we can make it either a big success or a dismal failure. Let's make it a success!!!

B. J. C. Welcomes New University

We of the B.J.C. are happy to welcome a new member into the family of educational institutions, especially a member born with such high ambitions, motives, and ideals as the Free Europe University in Exile. This university, whose purpose is to provide scholarships for the worthy, capable, young exiles from behind the iron curtain, was organized and received its charter July 20, 1951.

This institution was founded as an educational branch of the national committee for a free Europe. Under the belief that force of ideas is as effective as force of arms this group has organized a three-fold plan of action centered around the exiles from the politically enslaved satellites of communism: Through the broadcasting facilities of radio-free Europe the exiles give hope of freedom to those behind the iron curtain; political asylum, assistance and employment is provided for the fugitive exiles; and opportunity for education is now being offered to the young people of good leadership quality who academically qualify for a scholarship to the Free Europe University of Exile.

The scholarships of \$800 for a 12 month year are awarded by the university's committee on awards and placement at Paris, France. The recipients will be directed to the most convenient and suitable educational institution in western Europe or the near east. The present policy, however, is to assemble the main body of undergraduates in the Free Europe college at Strasburg, France. Those considered for scholarship awards are exiles from any of the ten Soviet enslaved countries; who are be-

Half-Time Program

A main feature of the half-time activities at the Homecoming game Saturday afternoon will be the crowning of the Homecoming Queen and the awarding of prizes to the winning floats in the Homecoming parade.

The Queen and her two attendants will ride into the stadium on their special float at half-time and the Queen will then be crowned.

Also at this time the best float in the parade will be awarded the float trophy.

tween the ages of 18-32 (with a few exceptions), who have passed the baccalaureate, or its equivalent, as understood in Europe, who are capable of following university courses in the French language; and who are adjudged to be good future leadership material. No discrimination is made in sex, creed or race.

The curriculum for those students living at Robertsdu will include (1) courses at Strasbourg University, (2) the central and Eastern Europe Seminar, (3) miscellaneous visiting lectures, and (4) intimate association under one roof and at one table with contemporaries from neighboring countries. Of special interest is the Seminar which will include a section for each country represented. Each section will be under the instruction of an exile professor who will conduct it chiefly in the native tongue. The substance of Seminar instruction will be history in the broadcast meaning—in sum, the national cultural heritage.

As we contemplate the value of our own heritage and freedom let us give a cheer of encouragement to this new member of our educational family.

They're keeping it strictly hush-hush—not even any peeking allowed—so, as the Homecoming parade draws nearer, the anxiety to see what has been brewing in those collective creative imaginations mount higher. However, with the cooperation of Gerri Privett, Jo Edwards and Ruth Pond, you are able to view a portion of one of the floats which will be entered in Saturday's parade—But, what will the rest of it look like ???

The campus organizations expected to enter floats in the parade Saturday morning are the following: I.K.s, Pi Sigma Sigma, Spanish, Valkyries, A.W., French, B. Cubes, Student Council, Morrison-Driscoll halls, Pi Sigma Mu and possibly more.

Homecoming Parade Sponsored by B.J.C.

Preceding the Homecoming game Saturday afternoon will be the big parade through Boise with all the floats entered by school clubs and organizations and all the various school bands participating, including the Boise Junior College band.

Also riding in the parade on their special float will be the Homecoming Queen and her two attendants, who are to be announced Friday night at Union Nite.

All the club floats are entered in competition for the float trophy which will be presented to the winning club at halftime of the game Saturday afternoon.

In the crowded bus a lanky Kentuckian sat opposite a young woman whose skimpy skirt kept creeping up over her knees. She fought a constant battle with it, pulling it down, but as soon as she released her hold, up it crept.

After one hard yank, she looked up and met the gaze of the traveling companion.

"Don't stretch your calico, sister," he advised her. "My weakness is liquor."

PEP RALLY TO BE HELD FRIDAY

Homecoming festivities will get off to a bang-up start Friday morning, beginning with a pep rally at 11:30 in front of the Ad building, immediately followed by a car parade down through town.

Under the direction of Jim Walker the student body enthusiasm and fighting spirit will be aroused by yells, songs and music from the pep band. To spread the enthusiasm of Homecoming, cars streaming the B.J.C. colors will parade through town.

INTERVIEW

Hattie Gesner, manager of Student Union, is one of the known personalities on the campus. Whenever meals, banquets and parties are planned, you can be sure Miss Gesner's capabilities will help make them a success.

Gesner came to Boise two years ago from the University of Kansas, Wichita, Kansas. She has done graduate work in nutrition at Washington University, and in international economics at the University of Chicago. Her work has been with nutrition in both commercial and institutional settings.

The jobs which fall on Miss Gesner's competent shoulders include buying food and planning the menu for the three meals a day served at the Union, as well as having charge of the personnel working in the Union. She says, by the way, that the students on the staff are very pleasing to work with.

When asked if she liked her job, Miss Gesner replied that she certainly did and it is her belief that everyone should be happy in his or her chosen profession because an unhappy person doesn't do justice to the job. This attitude of Miss Gesner's concerning her own job may account in part for the success recorded in all her work.

CLUB CAPERS

INTERNATIONAL CLUB

The students interested in international relations have elected the following officers to direct the affairs of the I.R.C.: Norman Clark, president; Helen Hall, vice president; Laura Lyman, secretary; and as members of the World Student Service Fund committee, Helen Hall, Janet Austad and Laura Lyman. All students sharing this common interest in international relations are urged to apply for club membership. See the secretary or Dr. Moore, the club advisor, for details.

Outstanding activities in the coming year are: (1) the Northwest I.R.C. regional conference at Portland, Nov. 2-3, which will be attended by two club representatives and Dr. Moore, (2) the Inter-Collegiate conference on campus religious life, sponsored by the Pacific Northwest council of student Y.M.C.A. and Y.W.C.A. at Caldwell, Friday and Saturday, Nov. 2 and 3.

Driscoll Hall

A certain tackle on the football team who is a lover of animals has gone scientific and is culturing his own little pets for revengeful purpose.

The Idaho Statesman had a landslide business Sunday when a certain linebacker by the initials R. B. went around buying up all the newspapers he could find for a certain Nancy S.

Six nature lovers, three from Morrison Hall and three from Driscoll have been frequent visitors to Table Rock to watch the sunset. Ha! Ha!

There has been a rather strange and overwhelming silence over the past two weeks in Driscoll Hall. We wonder why???

Driscoll Hall is happy to welcome back Mrs. Forter who has recently returned from the hospital.

Homecoming Events

Friday, November 2 —

- 11:30 a.m.—Pep Rally.
- 11:45 a.m.—Car Parade.
- 8:00 p.m.—Bonfire and Rally.
- 9:00 p.m.—Union Nite.
- 10:00 p.m.—Introduction Queen Contestants and Beard Contest.

Saturday, November 3—

- 11:30 a.m.—Parade.
- 2:00 p.m.—Football Game — Crowning of Queen at Half.
- 9:00 p.m.—Dance.

Students to Hear Speaker

On Thursday, November 8, at 2 p.m. in room 110, Mr. Gore Booth, who is connected with the British Embassy in Washington in charge of public information, will speak to the students who find it possible to attend the lecture. No doubt he will discuss important problems in British-American relations. Anyone interested will be welcome to attend the meeting in 110.

At the evening hour he will talk to the Foreign Relations Club at the Owyhee Hotel.

Nellie bought a new dress. It was so very thin; She asked me how I liked it. So I answered with a grin; "Wait till the sun shines, Nellie."

Morrison Hall

There will be a sad day in Morrison Hall next Saturday when Sylvia Cenci Filae leaves for Portland. She is well-loved by all and especially will be missed by the girls in suite A. Thursday night at 10:30 there will be a fireside in honor of Sylvia at which time we will present her with a going away present.

Tuesday night when Ray Anthony came to the Miramar there were several girls from the hall to enjoy his music. Shirleen Schaeffer with Bob Watson, Dorla Jo Hoganmiller with Bob Quinley, Luane Brent with Gentry Walker and Virginia Worley with Jim Walker.

A few of the girls looking forward to the Homecoming formal will be: Gloria Johnson with Jack Masterson, Luane Brent with Gentry Walker, Bonnie Cady with Joe Silvers, Virginia Worley with Jim Walker and Shirleen Schaeffer with Bob Watson.

It has been rumored that the boys from Driscoll Hall are planning to serenade Morrison Hall some time during Homecoming week.

The popcorn popper in suite A has been working overtime due to the free hand outs!

Dear Miss Dee Mener:

Dear Miss Dee Mener,
I am only nineteen and I stayed out until two the other nite. My mother objects. Did I do wrong?
Worried.

Dear Worried,
Try to remember.

ATTENTION GIRLS...

Dear Co-eds:

Homecoming is nearing!

Is your wardrobe ready for this great occasion and its many activities? Do you have a classy dress to catch the swooning eyes of the fellows... put a tinge of green in the eyes of sister co-eds at the Homecoming dance?

Don't set your Formal Dance-dress ideas "to an old-fashioned tune." The "shorty" or "ballerina" length party dress is a nifty, young, new way to be bouffant at this dance and the many other parties of the approaching holiday season.

Whether it's bustling taffeta, dainty lace, billowy net, soft velvet, or a combination of these glamorous materials that you prefer, Hadley's has the dress for you in a variety of styles, a range of prices. Styles that add charm to your romantically bare shoulders, but are just as smart when used with matching stoles, boleros, or weskits for less formal occasions.

If the old billfold starts to scold at the words "new formal" drop in and see the many combinations of taffeta skirts and tops, with or without straps. These outfits are priced right, sold individually or in sets, will put a smile on the face of the boyfriend and the billfold.

Well, Gals, this will be all for now. Just remember, whatever the "wardrobe problem," come down, let Hadley's solve it for you.

Your Fashion Headquarters

819 IDAHO STREET

Weekly Wisdom

By Cleon Kottre

BLAME IS NOT THE SOLUTION

In this mud slinging muddle of national and international confusion let's take down our own halos and ask ourselves, "Does placing blame cure the world's ills? When the milk is spilled, is any hunger satisfied by knowing who did it?"

Scriptural Wisdom: For where envying and strife is, there is confusion and every evil work. But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be intreated, full of mercy and good fruits, without partiality, and without hypocrisy.

(James 3: 16-17)

B. J. C. Boosts Enrollment of C. of I.

Boise Junior College has done much to increase enrollment at the College of Idaho at Caldwell. Boise Junior College supplied almost half of the transfer students to C. of I. this year. Out of 51 transfer students, 23 are from BJC.

College Wit

A gal we know calls her boyfriend "Pilgrim"—every time he calls he makes a little more progress.

It's love when she sinks in his arms—and ends up with her arms in the sink.

Girl: "Why do you call your wife angel?"

Boy: "Because she's always ready to fly, she's continually harping and she never has an earthly thing to wear."

As far as the dollar is concerned, confidentially, it shrinks.

From the Associated Student Body funds, \$100 has been allocated to be apportioned out to the various activities of Homecoming. This money will go towards covering the cost of the dance band, decorations, prize for float and gifts for the Queen and her attendants.

McGREGOR HAMILTON SUEDE BLOUSE

Trademark made in U.S.A.

BACK YOUR TEAM SATURDAY

There is a saying that a dog that has a loud bark seldom bites. This was proven in the Boise-Chaffey game. The Panthers looked ferocious and had a terrible war cry but their bite was weak and when the chips were down, the Broncos galloped in for a final score of 46-6.

BJC Sports Parade

By Dwight Dickey

The Bronco football machine is in full swing, as we were shown at the stadium last Saturday evening. This was the first contest that Coach Blankley used the two platoon system with the exception of Fulwyler, who played both offensive and defensive center. The B.J.C. defense allowed the California team 47 yards on the ground while they held them to 97 yards in the air. The Boise offensive unit was sparked by the passing arms of Haword and Patrick, who completed seven out of eight tosses. Winslow and Pastos figured in on much of the ground gaining.

LOOK INTO THE FUTURE

From where I sat in the KIDO booth, and from what I gathered in from Sportcaster Whiff Jansen, last week's game was the best of the season for the Broncos. If the team tackles and blocks as well this week against the Westminster Parsons, I figure the Broncos will be three touchdowns better in this Saturday's Homecoming tilt.

HOW ABOUT THIS

The story in the Idaho Daily Statesman on Sunday, October 21, which covered the Junior college narrow victory over the Ogden team, was a much talked about subject by the players and students on the campus last week. As I remember correctly, Winslow and Fowler were the only players to receive any honor in the tilt which the Broncos won by the narrow margin of 13-12. I am sure that it takes eleven men upon the field and a good nucleus upon the bench to win a game such as that one. Howard, who has been playing outstanding ball, received nothing but a few remarks on how bad he looked and on one occasion how he attempted a feeble kick. The entire squad was racked over by the writer (unknown) and the question which is being asked is, "Will stories like that one help the Broncos get a bowl bid if they go through the season without any more defeats?"

HERE AND THERE

"Skooter" Howard seems to be having bad luck with his long runs for T.D.s. The 71-yard run against Chaffey was the fifth one that he has had the officials call back this year. . . . Olympic is the No. 1 JC in the nation and the Broncos drop a 18-6 affair in a sea of mud which found the Boise team inside the 10 yards seven times. . . . Linemen Quinn and Bryant both tried for six points when they picked out Chaffey passes out of the air, but both failed on returns of 30 and 70 yards. . . . I heard this comment repeated several times in the dressing room following last week's game, "I sure like to see

Star of the Week

The player chosen as this week's star is "Big Singing Red" Fouler, better known as "Toe". Red is the boy who kicks those goals for the Broncos and has shown his talent in every game this season.

On the 20th of October B.J.C. played Weber and the Wildcats delt us out a mighty fine battle. When the pressure was on and Coach Blankley's hat flew off, the "Toe" was called on to cinch the game. Red kicked the all important goal to make the final 13-12 for Boise.

This season Fouler has kicked 8 goals out of every ten tries for an .800 average. If Red can keep this up his toe will be set for pro football in a few years.

"Singing Red" lives in Boise and is a graduate of Boise High. He made a big hit in high school in football and with the women. It seems Mr. "Toe" has given up girls, however, and now puts all his time in on football. His pet peeve is girl cheerleaders. I hear it's a certain girl cheerleader.

Saturday we have another tough game. If the occasion arrives for Red to win the game for us I'm sure we can depend on him to keep 'em flying.

There once was a ball team called the Parsons,
They said we can fight, and how,
But just like Buffalo Bill and Kit Carson,
They're gazing at daisy roots now.

those California teams go home with a sound beating." . . . I would like to know who Parsons was waving at in the game Saturday night when he was scoring a TD.

THAT'S ALL FOR NOW, EXCEPT —

Basketball is just around the corner and the hoopsters are backed by seven returning lettermen. More about this later.

B. J. C. Downs Chaffey J. C.

Last Saturday night B. J. C. smothered the Chaffey Panthers 46-6. The Panthers didn't break the scoring jinx until the third quarter when Sanchez charged over for their lone touchdown.

"Little Gorgeous Gus" Pastos led the Boise scorers with two touchdowns while Howard, Winslow, Ford, Teverbaugh and Parsons each scored one.

At half time the mighty Colts dumped the Baby Braves 13-6. The Braves scored their first touchdown since the series started. The kids had Rod Cameron to officiate at their game. It seems Mr. Cameron also visited our stadium Friday night for the Boise-Pocatello game.

BONFIRE TO BE BURNED BY I.K.s

The bonfire, which is an annual event at Homecoming, will again be sponsored by the Inter-Collegiate Knights.

The bonfire, which the IKs have been working on all week by gathering trash all over town and by collecting rags and old clothes from door to door, will be lit tomorrow evening on the ground behind Morrison and Driscoll halls at 7:30 simultaneously with the burning of the "B" on Table Rock.

Neil Howard, Duke of the Inter-Collegiate Knights, is general chairman of the bonfire and all the IKs have been working very hard all week gathering trash for it.

In case you have noticed all the droopy-eyed IKs the latter part of this week and have wondered why they are in this condition, here is the answer . . . They have to guard the "trash pile" with their lives all day and all night to prevent any foe from burning it before the designated time.

B. J. C. Faces Westminster Sat.

Saturday afternoon our team plays the powerful Westminster squad. This will be our annual Homecoming game which is the most important game of the season. Thus far our team has been great and our pep has been fair. Saturday our team will show what they can do, so let's show the people of Boise what we can do. There will be various ceremonies which all can participate in and we certainly can all show up to yell at the game.

Let's put on a show this town won't forget. Most important of all, gang, remember, never fall back, but always CHARGE.

"Oh, honey, bring a half-dozen mousetraps when you come home this evening," said the bride.
"Why, I just brought six yesterday."
"I know, but they have mice in them!"
